	PSN Annual Convention - AFCKDI	PSN Annual Convention DAY ONE	PSN Annual Convention DAY TWO	PSN Annual Convention DAY THREE
	REGISTRATION - AFCKDI and PSN Annual Convention	REGISTRATION - PSN Annual Convention		
	Opening Ceremonies	OPENING CEREMONIES Keynote Speaker: Dr Esperanza Cabral		TOWNHALL Peritoneal Dialysis vs Hemodialysis Benefits, Risks, and Access Issues
	Establishing a cost-effective community based screening for CKD	Message from the ISN: "ISN: Advancing Global Nephrology"	War on drugs: Fighting Drug induced Kidney Failure	Dr. Orson Moe
	Analyzing CKD risk factors in the local setting	The Need and Means of Evidence Based Medicine in a Developing Country	Pediatric AKI in Sepsis	Dr. Orson Moe
	Renal Disease Control Program (REDCOP): The Philippines' experience in Preventive Nephrology Programs		Fluid administration in Critically Ill Patients with AKI	Dr. Orson Moe
	OPEN FORUM			Genetic Kidney Diseases: Born this Way
	LUNCH SYMPOSIUM (Abbott)	BOOTH OPENING		Geriatric CKD: What's New with the Old?
	Halting CKD progression through diet modification	PLENARY LECTURE Emerging trends in the management of Diabetic Kidney Disease: What's in and What's not	Coffee Break	
	Establishing a cost-effective strategy for intervention for CKD	Management of Dyslipidemia: Are the latest guidelines applicable to our CKD patients?	PLENARY LECTURE The Lovely Bones: Recent Progress in the Management of BMD in CKD	Coffee Break
	Indication for conservative therapy in ESKD	Hypertension management in CKD in light of the SPRINT trial	CKD of Unknown Etiology	Deceased Organ Donation : A Beacon of HOPE
	OPEN FORUM		Cardiovasculopathy: The Killer in Chronic Kidney Disease	Dr. Benita Padilla
	POSTER PRESENTATION	LUNCH SYMPOSIUM (Sanofi & FMC)		Emerging therapies for Viral Hepatitis in Kidney Transplant Recipients
	Lipat Kalinga: Transition program for pediatric kidney disease patient to adult health services		LUNCH SYMPOSIUM (Globo Asiatico & Otsuka)	Living Kidney Donors: What do you tell them?
	Taiwan E-Kidney	High Quality Dialysis: Lessons from Japan		
	Roll transfer - Thailand Experience	Technological Advances in Hemodialysis	PLENARY LECTURE: Lupus Nephritis: What we have learned in the recent clinical trials in LN	
	Open Forum	When to start dialysis in End-stage Renal Disease?	Steroid dependent Nephrotic Syndrome: Is there still hope?	HEMO HEADS / PD HEADS MEETING
	Closing Ceremonies		The Spectrum of Renal Disease in HIV	QUIZ SHOW
	AFCKD Fellowship	SUNSET SYMPOSIUM (Boehringer)	Coffee Break / Exhibit Booth Visits	
			Depressed GFR: Psychiatric Issues of Renal Failure and Dialysis	
			Medical Ethics in Nephrology: Allocation of limited lifesaving resources and end-of-life care in ESRD	BUSINESS MEETING
			MENTORS HOUR I (Electrolytes / AKI)	
			MENTORS HOUR II (Electrolytes / AKI)	
			FREE NIGHT FOR REUNIONS	CLOSING AND FELLOWSHIP NIGHT
